

GARDEN HOUSE

A home from home

Garden House, Priestlands, Sherborne, DT9 4HN

Dear Family & friends,

23rd September 2020

Covid-19 Update, track and trace.

I hope this letter finds you well just wanted to update you on some changes in regards to Covid. We have been doing our own track and trace but we have now decided to do a track in trace alongside the NHS. So, I would appreciate if you would download the NHS COVID 19 APP prior to your next visit. When you arrive for a visit or outing if you could open your app and scan the NHS Covid 19 poster which has been placed on the right-hand wall as you open the front reception door. It will be placed close to the door so there should be no need to enter the premises. This app will notify us if anybody who has scanned the NHS poster of any one with Covid or who has developed Covid and visited Garden House. We will still be carrying on with our own track and trace for our own reference. I hope you will all adjust to the new measures in place and work with us with keeping our residents safe and thank you for your continued patience and support.

Warm wishes and Kind regards,

Mel Torkington

Deputy Manager
